Academic Positions

- since 2016 Assistant Professor, Department of Linguistics, University of California, San Diego
Director, Language Comprehension Lab
- 2015-2016 Postdoc, Center for Research in Language, UC San Diego
- 2014 Wissenschaftliche Mitarbeiterin, Universität Konstanz

Education

- 2014 Dr. Phil. in Linguistics, *summa cum laude*, Universität Potsdam
- 2009 M.A. in German Linguistics, Universität Potsdam
- 2009 M.A. in Contemporary History, Humboldt-Universität Berlin

Visiting Fellowships

- 2020 Visiting Researcher, SONY Labs, Paris
- 2011-2014 Visiting Fellow, Psychology Department, Harvard University
- 2009-2012 Visiting Fellow, Center for Cognitive Studies, Tufts University
- 2006-2007 Visiting Student, Yale University
- 2005-2006 Visiting Student, Università di Bologna

Publications

(work marked with ★ is student research under my supervision)

Monograph

- 2016 Wittenberg, Eva. With Light Verb Constructions from Syntax to Concepts. *Potsdam Cognitive Science Series 7*.

Editorship

Papers under review/in revision

- in revision Wittenberg, Eva. Discourse accessibility of semantically integrated referents.

- in revision Vaidya, Ashwini & Wittenberg, Eva. Productivity and argument sharing in Hindi light verb constructions.
- in revision ★ Morgan, Adam, von der Malsburg, Titus, Ferreira, Victor & Wittenberg, Eva. A weird structure that we wonder why English speakers produce it: Multi-paradigm evidence that resumptive pronouns hinder comprehension.
- in revision Wittenberg, Eva, Shota Momma & Elsi Kaiser. Complexity matters only when it matters. Demonstratives as bundlers of conceptual structure.
- under review ★ Arehalli, Suhas & Eva Wittenberg. The mess reveals the system: Uncovering relative strengths of expectations in error correction processes.
- under review Karimi, Hossein, Michele Diaz & Eva Wittenberg. Sheer Time Spent Expecting or Maintaining a Representation Facilitates Subsequent Retrieval during Sentence Processing.
- under review Wittenberg, Eva & Andreas Trotzke. A Psycholinguistic Investigation into Diminutive Strategies in the East Franconian Noun Phrase: Little schnitzels stay big, but little crooks become nicer.

Conference presentations

- 2020 ★ Catherine Arnett & Eva Wittenberg: Conceptual effects of Verbal Reduplication in Mandarin Chinese. Talk, 32nd North American Conference on Chinese Linguistics (NACCL-32), UConn Storrs.
- 2020 ★ Joshua Wampler & Eva Wittenberg: Conceptual parallels between event and object reference in English: A new paradigm shows that demonstratives refer to more complex events. Poster, CUNY, UMass Amherst.
- 2020 Hossein Karimi, Michele Diaz, & Eva Wittenberg: Explaining away the ease of retrieving “alleged Venezuelan communists”: Attention and time spent, not semantic complexity alone, predict reading times. Poster, CUNY, UMass Amherst.
- 2019 Jacopo Romoli, Paolo Santorio & Eva Wittenberg. Fixing De Morgan's laws in counterfactual antecedents. Talk, The Amsterdam Colloquium, Amsterdam, NL.
- 2019 Eva Wittenberg & Andreas Trotzke. Mogst a weng a Schnitzala? Eine psycholinguistische Untersuchung zur referenziellen Verkleinerungsfunktion in ostfränkischen Nominalphrasen. Talk, Bayerisch-Österreichische Dialektologentagung, Salzburg, Austria.
- 2019 Ashwini Vaidya & Eva Wittenberg. Practice makes perfect: Frequency of language-wide predicational strategy eases processing cost in Hindi light verb constructions. Talk, Crosslinguistic Perspectives on Processing and Learning (X-PPL), Zurich, Switzerland.
- 2019 ★ Catherine Arnett & Eva Wittenberg: Conceptual effects of Verbal Reduplication in Mandarin Chinese. Poster at the California Meeting on Psycholinguistics, UC Santa Cruz.
- 2019 ★ Joshua Wampler & Eva Wittenberg: Doing thus and so: Event referential expressions and referent complexity. Talk at the California Meeting on Psycholinguistics, UC Santa Cruz.
- 2019 Jacopo Romoli, Paolo Santorio & Eva Wittenberg. Fixing De Morgan's laws in counterfactual antecedents. Talk, NELS, MIT.
- 2019 Björn Lundquist, Martin Corley, & Eva Wittenberg. Priming of (in)transitivity in reading. Talk, AMLaP, Moscow, Russia.
- 2019 Mohammad Momenian, Shuk Ka Cham, Jafar Mohammadamini, Eva Wittenberg, Brendan Weekes, & William Marslen-Wilson. Contrasting Cross-linguistic Effects of Semantic Transparency: Evidence from Cantonese and Farsi Compounds. Poster, AMLaP, Moscow, Russia.
- 2019 Eva Wittenberg & Andreas Trotzke. Mogst a weng a Schnitzala? A psycholinguistic approach to modality in the Bavarian nominal domain. Talk, International Conference on Language Variation in Europe, Leeuwarden, The Netherlands.

- 2019 Paolo Santorio, Jacopo Romoli & Eva Wittenberg. Fixing De Morgan's laws in counterfactual antecedents. Poster, XPRAG Edinburgh.
- 2018 ★ Arehalli, Suhas & Eva Wittenberg. The mess reveals the system: People use top-down cues to resolve errors in contexts with highly random noise, but not with highly structured noise. Talk, AMLaP, Berlin.
- 2018 Wittenberg, Eva. Discourse accessibility of semantically integrated referents. Poster, AMLaP, Berlin.
- 2018 Vaidya, Ashwini & Eva Wittenberg. Frequency effects modulate argument sharing effects in Hindi LVCs. Talk, SALA, Konstanz, Germany.
- 2018 Wittenberg, Eva & Ashwini Vaidya. Peeling oranges in Hindi: Ergative case-marking as cue in real-time event construal. Poster, SALA, Konstanz, Germany.
- 2018 ★ Morgan, Adam, Titus von der Malsburg, Victor s Ferreira & Eva Wittenberg. This is the structure that we wonder why anyone produces it: Resumptive pronouns in English hinder comprehension, Poster, CUNY, UC Davis.
- 2018 ★ Arehalli, Suhas & Eva Wittenberg. The mess reveals the system: People use top-down cues to resolve errors in contexts with highly random noise, but not with highly structured noise. Poster, CUNY, UC Davis
- 2018 ★ Morgan, Adam, Titus von der Malsburg, Victor s Ferreira and Eva Wittenberg. This is the structure that we wonder why anyone produces it: Resumptive pronouns in English hinder comprehension. Talk, AMLaP Asia, Hyderabad.
- 2018 Vaidya, Ashwini & Eva Wittenberg. Frequency effects modulate argument sharing effects in Hindi LVCs Talk, AMLaP Asia, Hyderabad.
- 2017 ★ Arehalli, Suhas & Eva Wittenberg. The mess reveals the system: People use top-down cues to resolve errors in contexts with highly random noise, but not with highly structured noise. Talk, CAMP, Los Angeles
- 2017 Wittenberg, Eva, Shota Momma, Elsi Kaiser & Jeremy Skipper. Complexity matters only when it matters: Pronominal object and event reference rapidly access different aspects of situation models Talk, AMLaP, Lancaster, UK.
- 2017 ★ Ziegler, Jayden, Jesse Snedeker & Eva Wittenberg. Different paths from structure to event construal in idiomatic, semi-idiomatic, and fully transparent expression. Poster, CUNY, Boston.
- 2017 ★ Morgan, Adam, Titus von der Malsburg, Victor Ferreira & Eva Wittenberg. This is the structure that we wonder why anyone produces it: Resumptive pronouns in English help production but hinder comprehension. Poster, CUNY, Boston.
- 2016 Wittenberg, Eva, David Barner & Roger Levy. The Roles Of Presupposition Accommodation And Syntax In Computing Adjectival Scalar Thresholds. Talk, AMLaP, Bilbao.
- 2016 Wittenberg, Eva, & Victor Ferreira. What is 'it'? Disambiguating pronominal object vs. event reference. Poster, AMLaP, Bilbao.
- 2016 Wittenberg, Eva, & Ulrike Freywald. Another coffee. Although, maybe not. Disambiguating clausal connectors. Poster, AMLaP 2016, Bilbao.
- 2016 ★ Morgan, Adam, Titus von der Malsburg, Victor Ferreira & Eva Wittenberg. Resumptive pronouns hinder sentence comprehension in English. Poster, AMLaP 2016, Bilbao.
- 2016 Wittenberg, Eva. Talking about Events: Who dunnit, and for how long?. Talk auf dem Workshop *Learning to Talk about Events: Gro&ing Language Acquisition in Intuitive Theories and Event Cognition*, CogSci 2016, Philadelphia.
- 2016 Wittenberg, Eva, David Barner & Roger Levy. Inferring individuals' scalar thresholds: What counts as tall *for you*? Poster, CUNY, Gainesville, Florida.
- 2016 Wittenberg, Eva, Andreas Trotzke, Emily Morgan & Roger Levy. Preferences in adjective order: Hierarchical and semantic approaches reconciled. Talk, DGfS, Konstanz.
- 2016 Wiese, Heike, Eva Wittenberg & Oliver Bunk. Variations on V2: the information-structural dynamics of the left periphery in German. Talk, DGfS, Konstanz.

- 2016 Wittenberg, Eva & Roger Levy. If you want a quick hug, make it count: How grammar affects estimated event durations. Poster, Linguistic Society of America Annual Meeting, Washington, D.C.
- 2015 Wittenberg, Eva & Roger Levy. If you want a quick hug, make it count: How grammar affects estimated event durations. Talk, AMLaP, Valletta.
- 2014 Wittenberg, Eva, Manizeh Khan & Jesse Snedeker. Categorization and Implicit Learning of Semantic Roles. Poster, AMLaP, Edinburgh.
- 2013 Wittenberg, Eva & Jesse Snedeker. How Hugging Differs From Giving A Hug: Syntax, Semantics or Mapping. Poster, CUNY, Columbia SC. [CUNY Travel Award]
- 2012 Wittenberg, Eva & Jesse Snedeker. Why Giving A Kiss Is More Complicated Than Kissing: It's All In The Mapping. Talk, AMLaP, Riva del Garda.
- 2012 Jackendoff, Ray & Eva Wittenberg. Even Simpler Syntax. A Hierarchy of Grammatical Complexity. Talk, Workshop *Complex Sentences, Types of Embedding, and Recursivity*, Konstanz.
- 2012 Jackendoff, Ray & Eva Wittenberg. Even Simpler Syntax. A Hierarchy of Grammatical Complexity. Talk, *Workshop on Formal Linguistics and the Measurement of Grammatical Complexity, Seattle*.
- 2011 Wittenberg, Eva, Ray Jackendoff, Gina Kuperberg, Martin Paczynski, Jesse Snedeker & Heike Wiese. The Mental Representation and Processing of Light Verbs. Poster. Workshop *Structuring the Argument*, Paris.
- 2011 Wittenberg, Eva & Jesse Snedeker. Syntactic Priming Across Constructions: Light Verbs. Poster, AMLaP, Paris.
- 2011 Khan, Manizeh, Mahesh Srinivasan, Eva Wittenberg & Jesse Snedeker. Phonological overlap in German affects English lexical processing in German-English bilinguals. Poster, AMLaP, Paris.
- 2011 Wittenberg, Eva, Martin Paczynski, Heike Wiese, Ray Jackendoff & Gina Kuperberg. Light Verbs Make Heavy Work. Poster. CUNY, Stanford.
- 2010 Wittenberg, Eva & Heike Wiese. Processing Predictions of Linguistic Theories: Light Verbs as a Testing Battery. Poster, AMLaP, Barcelona.
- 2008 Wittenberg, Eva & Maria M. Piñango. When Verbs Share Their Power: The case of the German Light Verb Construction. Talk, Workshop *Verb Concepts: Cognitive Science Perspectives on Verb Representation and Processing*, Montreal.
- 2008 Paul, Kerstin, Eva Wittenberg, & Heike Wiese. Ich mag so Wasserpfeifeladen: The interaction of grammar and information structure in Kiezdeutsch. Talk, The Fifth International Conference on Youth Language, Copenhagen.

Invited Talks

- May 2020 Title TBD. Invited plenary speaker, ISMIL 24 (International Symposium on Malay/Indonesian Linguistics), University of Hawai'i at Manoa.
- October 2019 How models of linguistic architecture shape models of linguistic evolution. Workshop "The Cognitive Benefits of Language - an evolutionary perspective", University of Osnabrück, Germany.
- July 2019 Presuppositions, scales, and adjective order. Universität Tübingen.
- July 2019 The relationship between argument structure, processing and non-truth-conditional content. Universität Tübingen.
- June 2019 Taking on a take on lexical flexibility, syntax, and argument structure. Invited Speaker, Workshop "Lexical Flexibility", Edinburgh University.
- June 2018 *Kroos gave the ball a kick or Kroos kicked the ball?* Subtle semantic differences of argument structure alternations, explained. Linguistics Department, Universität Göttingen, Germany.
- June 2018 Peeling apart layers of meaning: Accessing components of event structure experimentally. Workshop *Experiments and Linguistic Meaning: Results and Challenges*. University of Tromsø, Norway.

- August 2017 Grammatical alternations, their processing, and how they shape event representations. Seoul National University, Korea.
- August 2017 Psycholinguistic investigations into pronominal reference to objects and events in English. Seoul National University, Korea.
- July 2017 Rabbit holes everywhere! Approaching a linguistic question with psycholinguistic tools. QIP-CEP Workshop on Experimental and Empirical Methods in Linguistics, IIT Delhi, India.
- July 2017 Mapping from form to meaning: Light verb constructions and event construal. Symposium "Encoding events in language and cognition", IASCL2017: 14th International Congress for the Study of Child Language, Lyon, France.
- August 2016 Talking about events: Who dunnit, and for how long? University of Tromsø, Norway.
- August 2016 You can lower my standards with your syntax: Computing adjectival scalar thresholds. University of Tromsø, Norway.
- May 2016 The tall red building may be taller than the red tall building: The role of linguistic context in computing scalar thresholds. Stanford University, Department of Psychology.
- April 2016 The Roles Of Presupposition Accommodation And Syntax In Computing Adjectival Scalar Thresholds. University of Edinburgh, Department of Psychology, UK.
- April 2016 How tall is tall? University of Reading, School of Psychology, UK.
- January 2016 Linguistic Structure and Mental Models. Language Sciences Program, UC Irvine.
- Nov. 2015 Syntactic Spandrels. Department of Psychology, Montclair University.
- Sept. 2015 Panel Discussant. Workshop *Reappraising the role of linear structure in language*, Leiden, NL.
- May 2014 Von der Syntax zur konzeptuellen Struktur: Eine Reise mit Funktionsverbgefügen. Universität Bamberg, Linguistische Werkstatt, Germany.
- May 2014 Funktionsverbgefüge zwischen Syntax, Semantik & Ereignisstruktur: Psycho- & neurolinguistische Untersuchungen. Universität Konstanz, Germany.
- June 2014 Funktionsverbgefüge aus psycholinguistischer Perspektive. Universität Bamberg, Germany.
- October 2013 Close but no cigar: The differences between kissing, giving kisses, and giving other things. Brown University, Department of Cognitive, Linguistic & Psychological Sciences.
- June 2013 Let's take a look at light verbs: Relationships between syntax, semantics, and event conceptualization. Center for Research in Language, University of California, San Diego.
- March 2011 Light Verbs Make A Lot Of Work. Linguistics Department, Princeton University.
- January 2009 askim baby schatz - Anglicisms in a multiethnic youth variety of German. Centre for Anglo-German Cultural Relations at Queen Mary University of London. (with Kerstin Paul.)

Grants and Awards

- 2018 Chancellor's Research Excellence Grant, UC San Diego: \$3,000
- 2018-2022 External partner, "Modal Concepts and Compositionality: New Directions in Experimental Semantics". PI: Gillian Ramchand, Norwegian Research Council
- 2017 Global Engagement Fund, co-PI: Jeremy Skipper, University College London: \$2,000
- 2017 Social Sciences Divisional Research Grant, UC San Diego: \$19,700
- 2016 Global Engagement Fund, co-PI: Jeremy Skipper, University College London: \$2,500
- 2016 National Science Foundation Award #1606285 (Principal Applicant: Joshua Hartshorne), Workshop *Events in Language and Cognition*: \$6,491
- 2015-2017 Postdoctoral Fellowship, German Academic Exchange Service: €56,480
- 2013 Student Travel Award, CUNY Conference: \$200
- 2011-2014 Ph.D. Fellowship, German Academic Excellence Foundation: €62,000
- 2009-2011 Postgraduate grant, German Ministry of the Economy: \$42,000
- 2008-2008 Exchange Fellowship, German Academic Exchange Service: 3,000€
- 2005-2009 Full undergraduate fellowship, Protestant Church: €42,500
- 2005-2006 European Union exchange fellowship (Italy): 700€

Academic Service: Organization of workshops

- 2016 Adjective Order: Theory and Experiment. DGfS-Workshop, Konstanz (with Andreas Trotzke, Konstanz)
2016 Events in Language and Cognition. Workshop, University of Florida (with Melissa Kline & Joshua Hartshorne)
2016 Learning to Talk about Events: Grounding Language Acquisition in Intuitive Theories and Event Cognition. Workshop, Annual Conference of the Cognitive Science Society, Philadelphia (with Melissa Kline & Joshua Hartshorne)
2016 9th International Workshop on Language Production. Conference, UC San Diego (program committee member)
2017 Meaning in Flux: Connecting Development, Variation and Change. Workshop, Yale University (program committee member)

Academic Service: Editorships

- since 2019 Area Editor Psycholinguistics, *Linguistics Vanguard*.
since 2019 Review Editor, *Frontiers in Artificial Intelligence: Language and Computation*.

Academic Service: Reviewing

- Journals Cognition, Brain & Language, Cognitive Linguistics, Cognitive Science, Journal of Linguistics, Journal of Semantics, Linguistics, Open Mind, Glossa, *inter alia*
Conferences AMLaP 2014 —, LSA 2016, 2017, CUNY 2016 —, CogSci 2016, SRCD 2017, *inter alia*
Grants USA: National Science Foundation, Czech Science Foundation
Book concepts Cambridge University Press

Academic Service: Department

- since 2017 Chair, Linguistics colloquium committee, UC San Diego
- 2018 Search committee member, professorship Syntax/Field Work
- 2017 Search committee member, professorship Computational Linguistics

Mentoring

- Graduates 4 active graduate students working on projects in the lab
- Committees Member of 8 dissertation committees (Linguistics & Psychology) since 2016
- Undergraduates Mentoring of > 20 undergraduate students since 2010, from 2016 in my lab

Selected synergistic activities

Selected outreach

- February 2020 Muirlands Middle School STEAM event, La Jolla
- May 2019 Deutsche Presse-Agentur, advisor on “Language Evolution for Children”
- February 2018 public science talk, *Nerd Nite*, San Diego
- 2015– guest host, podcast *The Science Faction*; more than 40 episodes
