Institute Outcomes

SEBT offers an approach for teaching English reading foundational skills through coherent biliteracy transfer instruction (K-5)

- SEBT provides guidance for teachers as they help their students reach grade-level literacy in both Spanish and English
- SEBT offers an instructional approach based on what students have learned in Spanish and the level of transferability of skills/concepts between Spanish and English
- SEBT includes assessments specifically designed to support the transferability of reading foundational skills

CRLP Signature Professional Learning Programs meets criteria for professional learning in LCFF, and ESEA's High-Quality Professional Development for Title I, III, V and VII, Part A; and for Title II, Part A and B.
