

EXPLORING THE CA MATH FRAMEWORK:

Engaging Secondary Students Through Group-Worthy Tasks

This professional learning experience will help you build confidence and familiarity with the new CA Math Framework as a practical guide for challenging, engaging and inclusive math instruction. We are seeking colleagues for a hands-on journey into the 2023 California Math Framework, crafted to inspire secondary students through creative and meaningful mathematical explorations.

Benefits of the Experience

- **Gain Familiarity and Comfort with the 2023 CA Math Framework:** Learn **research-based principles** for bringing math to life for all students.
- **Student-Centered Learning:** Learn to design and **implement group-worthy** tasks that empower students to take charge of their learning journey.
- **Collaborative Learning:** Build a **network** of supportive educators who share a passion for **doing and teaching** mathematics.
- **Gather and Share Findings:** Participants will get support collecting and be invited to share examples of group-worthy tasks and student work with other math teachers.

JULY 15TH - 17TH, 2025

9AM - 1:30PM

HAROLD J. BALLARD PARENT CENTER, OLD TOWN
2375 CONGRESS ST, SAN DIEGO, CA 92110
ROOM 5
